Jason Roberts : A Sense of the World: How a Blind Man Became History's Greatest Traveler before purchasing it in order to gage whether or not it would be worth my time, and all praised A Sense of the World: How a Blind Man Became History's Greatest Traveler:

He was known simply as the Blind Traveler. A solitary, sightless adventurer, James Holman (1786-1857) fought the slave trade in Africa, survived a frozen captivity in Siberia, hunted rogue elephants in Ceylon, helped chart the Australian outback and, astonishingly, circumnavigated the globe, becoming one of the greatest wonders of the world he so sagaciously explored. *A Sense of the World* is a spellbinding and moving rediscovery of one of history's most epic lives a story to awaken our own senses of awe and wonder.
