Jerry Shine : A Shore Diving Guide to New England before purchasing it in order to gage whether or not it would be worth my time, and all praised A Shore Diving Guide to New England:

0 of 1 people found the following review helpful. great guide.By Joe M.great guide...good information a little short on each site and could have used where to get air or local scuba shops should have been included.1 of 1 people found the following review helpful. Must buy book for allBy JTIf you're in New England diver definitely book is a must to own, mom diapers that have three interesting information as well. Even if you're not driving in New England to learn about the history and amazing locations.1 of 1 people found the following review helpful. Five StarsBy rossgood book
