Jimmy Halter : A Simpleton's Solo Sojourns:: From Marrakech to Nairobi before purchasing it in order to gage whether or not it would be worth my time, and all praised A Simpleton's Solo Sojourns:: From Marrakech to Nairobi:

The book is taken directly from the journals I kept on a trip I made in the summer of 2007. I traveled alone across southern Europe and into parts of Asia and Africa, staying briefly at various cities and towns along the way and recording my impressions.

About the AuthorMr. Halter is an art professor living and working in Conway, Arkansas. He travels and writes creatively in his free time.
