Jeffery Barrera : A Survival Guide to the Portuguese Camino in Galicia: Information about the Portuguese Way in Galicia before purchasing it in order to gage whether or not it would be worth my time, and all praised A Survival Guide to the Portuguese Camino in Galicia: Information about the Portuguese Way in Galicia:

1 of 1 people found the following review helpful. Great guidebook, very useful!By S. OlsonI will be walking the

Portuguese Camino from Porto in 3 weeks! I had downloaded this book to Kindle but forgot about it until last week...silly me! This is by far the best guidebook I have read (sorry, Mr. Brierly!). Plenty of history, recommendations, route information, and humor! I'm sure I will be referring to it constantly while I'm there. My only regret is that it only covers the Galicia portion. Mr. Barrera, we Portuguese pilgrims are STARVED for information...please write another one starting in Porto, or even Lisbon! Please!!! and Thank you!!! 3 of 3 people found the following review helpful. I liked the book By Wendell Waybright I liked the book. It gives the kind of detail necessary to find your way. It describes the route and suggests places to visit and stay as you hike the Portuguese Camino. I have hiked the French Camino and found this book helpful in planning my next hike. 0 of 0 people found the following review helpful. Five Stars By slouWell written with nice back stories about this portion of the Camino Portuguese

Revised and updated for 2017. The only Camino guidebook written by a person who works as a guide on the Camino and who gets to walk regularly to Santiago de Compostela. A Survival Guide to the Portuguese Camino in Galicia will not only provide you with simple, concise and to-the-point information about the route you are following, but will also help you understand and appreciate Spanish idiosyncrasy, which is usually the most intriguing, and at times frustrating, part of a trip for travellers. This is also a guidebook that provides insider insight and information about the Camino; information on where you are walking, why you are looking at things and how to make the most of your experience; all that stuff that is not readily available to travellers from abroad. In a nutshell, this is a guidebook written by a Spanish pilgrim for pilgrims from abroad. Please note that this guidebook only covers the last section of the Portuguese Camino, the part that crosses Galicia in Spain. It does not cover any of the stages in Portugal.

About the Author Jeffery Barrera currently works as a guide on both the Portuguese and French Caminos de Santiago. Since 2013 he has walked the Galician section of the Camino 30 times; and in 1994 he walked to Santiago de Compostela from the French border. Because he gets to walk the Camino on a regular basis, he does not have to rely on other people for updates. Jeffery Barrera is also the author of A Survival Guide to the Camino in Galicia and A Survival Guide to the Prado Museum. Please visit www.barrerabooks.com for information about the author and his books.
