**Kristi Fredericks : A Tale of Two Resorts: Comparing Disneyland and Walt Disney World - A Traveler's Reference** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Tale of Two Resorts: Comparing Disneyland and Walt Disney World - A Traveler's Reference:

0 of 0 people found the following review helpful. Great for first timers, and fun for old pros of the Disney Parks!By

The Boxing Guru Enjoyed the comparisons of these two resort complexes that I love so much! Helpful to first timers, and fun browsing for the experienced Disney parks "nut" too! 0 of 0 people found the following review helpful. Wonderful book comparing both Disney Parks! By Customer As a travel agent this book is going to be my go to reference manual when guests ask me to compare Disneyland to Walt Disney World. I love the breakdown of sections and quick compare chart before the details 0 of 0 people found the following review helpful. Great book! The side by side comparisons is very ... By Ann Marie Arnold Great book! The side by side comparisons is very interesting and helpful! Can't wait to plan my trip next year!

Disney Theme Parks at Your Fingertips UPDATED FOR 2016! You've got your work cut out for you. Between Disneyland and Walt Disney World, there are over 400 places to eat, over 300 things to do, and scores of accommodations where you can lay your weary head at night. Crunch that data! Or don't, because Kristi Fredericks has done it for you. In *A Tale of Two Resorts*, the most comprehensive reference book available for Disney's two biggest U.S. destinations, Fredericks cuts out the fluff and sticks to the facts, and boy, what a lot of facts! Everything imaginable about both resorts is covered, including: Key similarities and differences between Disneyland and Disney World Capsule commentaries about everything you can ride, watch, and do at both resorts Capsule commentaries about everywhere you can eat at both resorts, from snack stands to table service Capsule commentaries about everywhere you can stay at both resorts, either on-property or off Timely charts and advice about crowds, weather, events, budgeting, trip planning, and more Whether you're going to Disneyland or Disney World - and especially if you're still trying to make up your mind between the two! - *A Tale of Two Resorts* will give you all the information you need to make the better choice, and plenty of advice for planning the perfect stay.

From the Author As a mom with two boys of my own, I understand the many challenges of traveling with young kids. Throughout "*A Tale of Two Resorts*", I've included several helpful features for parents that I would have loved to have at my fingertips during my family's Disney vacations. These useful elements will help you plan your Disney trip plus they'll make your vacation easier once you arrive at the resort. Here are just a few of these invaluable features: In Chapter 8 Accommodations - I've included detailed information about every resort including room types available and resort amenities. If you need to know if a particular hotel has a kiddie pool, offers onsite childcare or even how many people the room will accommodate, you'll find those important answers. In Chapter 11 Theme Parks - I've included a Word of Warning for each and every attraction that needs one, giving you a heads up on what to expect and what you need to be aware of before taking your child on that particular ride. In Chapter 13 Dining - I've included specifics for every dining location from table service to snack stand such as atmosphere, cuisine type, dress code and even menu selections including the kid's meals that are offered. So if you are like me and have kids that are picky eaters, you'll know exactly where to find those all important chicken nuggets or macaroni cheese. I sincerely hope that my book helps you to choose your Disney destination, plan your trip and enjoy your magical vacation! From the Inside Flap Like politics and religion, the topic of which destination is better - Disneyland or Walt Disney World - is sure to fire up the faithful. In "*A Tale of Two Resorts*", Kristi Fredericks takes no side, but she does deliver the most comprehensive reference guide for both resorts available anywhere. About the Author Kristi Fredericks is a lifelong fan of all things Disney and has been visiting the resorts since she was a baby. She is thrilled to share her passion for the Disney parks and feels that there is nothing better than enjoying a Disney vacation with the ones you love. Kristi is the founder of the website [DisneyWorldEnthusiast.com](http://DisneyWorldEnthusiast.com) and a blogger for [TouringPlans.com](http://TouringPlans.com). When she isn't busy reading about, writing about, or planning for Disney, Kristi enjoys spending time with family and friends, traveling, watching movies, and playing games. Kristi lives in Colorado with her Prince Charming husband and two sons who are growing up to be huge Disney fans as well.
