Check Before You Take the DriveBy Hondo's GirlDelightful exploration of Ohio's historical restaurants that includes a recipe from their menu (never a signature dish). The authors offer building descriptions and critique the food they have selected for each place they visit. However, when I was checking out some of the places, I discovered that a number of them had closed during the recent economic down slide so be sure to visit a restaurant's website before heading off on a food adventure.0 of 0 people found the following review helpful. Great food and great historyBy Jennifer J.My mother and my aunt loved all the recipes and see in the history of Ohio.

The authors culled a list of 500 restaurants to come up with over 100 noteworthy establishments profiled here. Most

are housed in buildings over 100 years old. Of equal interest are the two or three recipes from each restaurant. Restaurants in old train stations, churches, schools, jails, frontier cabins, farmhouses whatever your preferred ambiance, you'll find it here.

About the Author Debbie Nunley and Karen Jane Elliott began writing when both lived near Pittsburgh, and have managed to continue even though Debbie has since moved to a suburb of Columbus, Ohio. Debbie is a teacher and Karen a business analyst. They have collaborated on three other books in the A Taste of . . . series; A Taste of Pennsylvania History, A Taste of Virginia History and A Taste of Maryland History.
