A Walk in Paris offers stunning photography of the worlds most popular city. The included pocket-sized map features a detailed walking route of a popular neighborhood along with a directory of its sights, shops, restaurants and hotels on one side and a map of the city with visitors information on the other side. Each month includes a Special Attractions column and a 2-page Number Please directory providing telephone numbers for local venues.

About the AuthorOur location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in

print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
