I was left wanting a more in depth overview. I recommend this book to those who already know Albuquerque's rich history and just want a quick reminder.

Nestled at the foothills of the Sandia Mountains, Albuquerque is a walker's dream. This self-guided will take you back in time to the early days of the founding of the city up through today's vibrant downtown area. Albuquerque retains a vital connection to its past while always looking forward. Ancient rock carvings at Petroglyph National Monument on the outskirts of the city, the historic Old Town Plaza, and the numerous vintage neon signs along Route 66 all blend seamlessly with today's modern structures and offers those who walk much to see and do.
