Tom Alyea : A Wandering Walk Guidebook: St. Louis, MO - Forest Park Central West End before purchasing it in order to gage whether or not it would be worth my time, and all praised A Wandering Walk Guidebook: St. Louis, MO - Forest Park Central West End:

Forest Park, and the surrounding Central West End Neighborhood, is known as the "heart of St. Louis." As the site of the 1904 St. Louis World's Fair, Forest Park retains the beauty of the Victorian era within the park and the homes surrounding the area. The park is more than just a natural area to escape from the hectic life and noise of the city. Forest Park is home to the world famous St. Louis Zoo, the Muny outdoor theater, and the Saint Louis Art Museum. The Central West End contains magnificent mansions and is the site of one of the most beautiful Basilica Cathedrals in the nation.
