Best Travel Books in PrintBy Pc MacdonaldUnlike most travel books, the Eyewitness guides are oriented geographically, so you don't have to go to the index 8 times to find out what is around you.If DK does not make a guide to where I am going? I go without a guide.1 of 1 people found the following review helpful. Good Pictorial GuideBy hulagirlfriendWe love DK Eyewitness Travel books. They provide great pictures of the areas covered. This one on Arizona is small, however, and doesn't provide as much comprehensive information on the Grand Canyon as I had hoped. There was no information on helicopter tours over the canyon, as hoped would be reviewed and/or discussed.0 of 0 people found the following review helpful. good bookBy Sandra A.
