Best Travel Books in Print By Pc Macdonald Unlike most travel books, the Eyewitness guides are oriented geographically, so you don't have to go to the index 8 times to find out what is around you. If DK does not make a guide to where I am going? I go without a guide. 1 of 1 people found the following review helpful. Good Pictorial Guide By hulagirlfriend We love DK Eyewitness Travel books. They provide great pictures of the areas covered. This one on Arizona is small, however, and doesn't provide as much comprehensive information on the Grand Canyon as I had hoped. There was no information on helicopter tours over the canyon, as hoped would be reviewed and/or discussed. 0 of 0 people found the following review helpful. good book By Sandra A. Moore Condition is good and it arrived on time. I am a big fan of Eyewitness travel books and this didn't disappoint

This heavily illustrated guide to Arizona and the Grand Canyon is packed with the best outdoor activities, as well as special features on history and culture, plus a comprehensive guide to what to eat and where to stay.
