**Eddie Jarolim : Arizona For Dummies? (Dummies Travel)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona For Dummies? (Dummies Travel):

7 of 7 people found the following review helpful. Excellent Beginners GuideBy A CustomerI found this book to be a great guide for our one week trip driving around Arizona. Some of the places we visited include Phoenix, Sedona, Flagstaff, Cameron, North Rim, Page/Lake Powell, Navajo Reservation, Chinle, and Winslow. All of the places that I was interested in visiting were covered in detail in the book with lots of good tips, besides just what to eat and where

to stay. We followed a lot of the recommendations in the book and had a wonderful time. 6 of 8 people found the following review helpful. UselessBy tbjkickersIn my eyes the book is absolutely useless. It is more than superficial as far as sightseeing is concerned. You certainly need another guide to check out which attractions are worth a visit and what exactly is offered. The best information is on hotels and restaurants and you can get these (and better one) the web. Not worth the relatively high price 10 of 10 people found the following review helpful. IncompleteBy A CustomerBooks ignores many places in Arizona. Nothing on Lake Havasu, Kingman, Oatman, Yuma, ShowLow, Pinetop, Payson, Mogollon Rim and nothing on cover of book, front or back, indicates it selectively covers state.

The American Southwest has something for everyone, from the glory of the Grand Canyon and Native American heritage sites, to fabulous resorts, world-class golf, and spectacular outdoor adventures. This essential resource includes: Exciting itineraries based on interest, budget, and schedule A wealth of outdoor activities and sights Highlights of the most breathtaking Native American places Tips on where to get the best pottery, jewelry, and craftwork

She has a Ph.D. in American literature from New York University (which explains the occasional highbrow literary allusion) and was a senior editor at Frommer's travel guides in New York before being lured by the warm sun and endless vistas not to mention the inexpensive real estate to Tucson, Arizona, in 1992. She has since written about the Southwest and Mexico for a variety of national publications, ranging from the America West Airlines Magazine, Art Antiques, and Brides to the New York Times Book and the Wall Street Journal. In addition to Arizona For Dummies, she's the author of Frommer's San Antonio and Austin and the Complete Idiot's Travel Guide to Mexico's Beach Resorts.
