Nice to buy it for yourself or to give out as a gift.0 of 0 people found the following review helpful. Four StarsBy Ray Delckumpretty pictures0 of 0 people found the following review helpful. Five StarsBy Krazy4Kats=^..^=Great!

All regions of the state are represented in each stunning season from snowcapped San Francisco Peak to the sun-baked Organ Pipe Cactus National Monument, from ranch scenes near the Blue River to Mission San Xavier del Bac south of Tucson, from close-ups of delicate desert wildflowers to broad panoramics of the Grand Canyon. The artistry of these two prolific photographs offers a fresh perspective on The Grand Canyon State.

Heath has received awards from the

National Federation of Press Women and the SATW Bill Muster Photo Showcase. James Randklev's brilliant and sensitive work has made him one of the Sierra Club's most published photographers. His images have appeared in books, periodicals, calendars, and advertising; and they have been exhibited in shows in the United States, including the International Exhibition of Nature Photography in Evian, France. In 2003 his work was selected for a book titled World's Top Landscape Photographers.
