**Bill Weir : Arizona (Moon Arizona)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona (Moon Arizona):

9 of 9 people found the following review helpful. The best Arizona guide out thereBy AcornManFor anyone planning to visit Arizona, this is definitely the best guide you can bring with you. Although I wish it had more photos give a clue as to what you'll be seeing, the excellent maps, detailed descriptions, and sheer volume of information provided more than makes up for it. I had only a few days in Arizona and didn't have time to waste, so it was important that I find the best places to see while I was there. This book proved to be absolutely vital for my trip. Without it I would never have found many of the interesting sights that I visited. In short, don't go to Arizona without this book.5 of 5 people found the following review helpful. Hot spots in AZBy A CustomerI recently moved to AZ and knew no one out here and very little about what there was to do. This book is chuck full of fun things to do by region in AZ. It also guides you to great camping spots, hiking trails, even the best places to grab a bite to eat. The only negative about this

book is that it does not provide good information on how to get to these great places. Not much in a way of maps. But, other than that, this book is definitely worth buying!

Covers Native American culture, outdoor recreation, and the state's unique flora and fauna

"If you don't own this book already, buy it immediately." -- Arizona Republic  
From the Author  
This practical guide introduces you to Arizona's natural wonders, colorful history, and vibrant city life. Eight months and more than 10,000 miles on roads, rivers, and trails have made this edition the best ever! The well-organized and illustrated text will help you get the most out of your travels. Money-saving tips and price listings let you plan the trip that's best for you. Descriptions of a full range of accommodations as well as camping and dining opportunities will suit 'most any taste and budget. Hundreds of Internet addresses can take you on a virtual tour before you go, so that you'll have the latest information on travel and events.
