Tim Hull : Arizona (Moon Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona (Moon Handbooks):

4 of 4 people found the following review helpful. A bit disappointedBy ChicaAs an Arizona resident of 25 years, I had purchased this book to replace my totally worn out Arizona Handbook which I have loved. I learned that the Handbook was no longer being published but had been taken over by the Moon book. Such a disappointment. There were so many "hidden gems" noted in the Handbook and I found this book to be a probably good tourist guide for the state but no where near the source for finding new, interesting and out of the way places that the Arizona Handbook had been.2 of 2 people found the following review helpful. AcceptableBy BCMI've used Moon Handbooks nearly religiously for the last 5 years. While this book is magnitudes better than the stuff Fodor's or Frommers try to pass off

as guidebooks, it is a bit of a disappointment when compared to the excellent versions available for Utah and Nevada. It seems that since standardizing on the blue covers, Moon's thoroughness of covering states has decreased significantly. 0 of 0 people found the following review helpful. Four StarsBy Rubyjouseful

Freelance writer and news reporter Tim Hull offers up the best of Arizona, from rafting down the Colorado River to exploring the art galleries of Sedona. Tim includes creative trip strategies, such as *Driving the History of Arizona* and *Feel the Heat: A Romantic Summer Weekend in Phoenix*. As a Arizona native, Tim guides travelers to the Grand Canyon States best-kept secrets, including sky islands, small woodlands found on mountain ranges in the Sonoran desert. Explore Red Rock Country, visit the Navajo Nation, and hike in the Grand Canyon Moon Arizona gives travelers the tools they need to create a more personal and memorable experience.

About the AuthorBorn on a U.S. Air Force base in South Carolina, Tim Hull was brought to Arizona when he was just six months old and has since left only rarely. He grew up in Prescott, a small town in the states north-central pinelands, where his mothers family has lived since the 1870s. He graduated from Arizona State University and has traveled extensively throughout the Southwest and Mexico. Currently, Tim is a freelance writer based in Tucson, Arizona. He has been a staff writer and editor for the Green Valley News in Southern Arizonas Santa Cruz Valley and Inside Tucson Business. He has also written for Tucson Weekly, Tucson Green Magazine, and various other publications and websites. His fiction has been published in Santa Monica , Blue Mesa , and other arts journals. Tim keeps an intermittent blog at www.arizonaroamer.com.
