Carrie Frasure : Arizona Off the Beaten Path, 6th (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona Off the Beaten Path, 6th (Off the Beaten Path Series):

FahgetabowditBy Gary NachBased on the 5th edition's cover artwork, a beautiful slot canyon, and the suggestive title, "Off the Beaten Path", I bought this dog. Nope it's not a guide to secret natural wonders nor a hiking guide, but a cutesy, fluffy guide to hipper parts of the state. Particularly useless was the tip to the DASH, Phoenix's Downtown Area SHuttle, or the Dinnerware Gallery. Not a slot canyon in the

book. Yawn. 0 of 1 people found the following review helpful. Useless Travel Guide By bay area traveller I bought this guide before going back to Tucson for a 2nd visit, thinking it might tell me something I hadn't found in Frommer's or Fodor's. It was a waste of money. The few things that were really "off the beaten track" no longer existed or perhaps never had existed.

Everyone has heard of the Grand Canyon, but what about the Petrified Forest or Goldfield Ghost Town? For travelers interested in exploring the unusual and unique, this unconventional guide to Arizona offers everything from the Organ Pipe Cactus National Monument to the Tallest Fountain in the World.

From the Back Cover Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path features the things you'd want to see if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" Whether you're a visitor or a local looking for something different, Arizona Off the Beaten Path will show you the Grand Canyon State you never knew existed. Go trail walking through the verdant Patagonia-Sonoita Creek Preserve, pan for gold in Goldfield Ghost Town, or celebrate Native American food, music, art, and dance at the Pinetop-Lakeside annual festival. So if you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path.
