**Christine Maxa : Arizona's Best Wildflower Hikes - The High Country** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arizona's Best Wildflower Hikes - The High Country:

9 of 9 people found the following review helpful. attractive, especially for the serious wildflower lover By A Customer Many not that familiar with Arizona do not know that it is much more diverse than just desert. it is also forests and alpine mountains full of trees and flowers equal to any western state. like the other two volumes in this series, christine maxa provides extensive detail about what flowers you will see on a good selection of hikes. in fact, she tells you step by step as you go along the trail what specific flowers you will see and exactly where to look. 75% of the pictures are small flower closeups rather than panoramic pictures of flowers in the larger context of a scenic wildplace (a mild disappointment). the guide also has simple directional hiking maps and trail following notes, detail about elevation, the best season, directions to the trailhead, etc. the overall production quality of this Westcliffe published book is very high, with use of high photo grade paper stock and added graphic design work that makes this guide very colorful. Recommended.

Discover the special world of Arizona's high country wildflowers on these 48 hikes--scenic and special even without flowers. In this companion book to Arizona's Best Wildflowers Hikes - The Desert, author/photographer Christine Maxa takes you from the high desert to subalpine mountains to view the state's most bountiful blooms. With a more consistent wildflower season than the desert's, and a longer-lasting one, don't miss the beautiful display awaiting you

each year.

About the Author Christine, an award-winning (Lowell Thomas Gold and International Regional Magazine Association) author and publisher, has written for Arizona Highways, Chicago Tribune, Christian Science Monitor, and National Geographic Traveler among other national and regional publications and has been featured on National Public Radio and Phoenix TV. She wrote the Hike of the Week column for the Arizona Republic for more than two years, and is on the Advisory Committee for the Arizona State Committee on Trails.
