John Henry Cady : Arizona's Yesterday, Being the Narrative of John H. Cady, Pioneer before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona's Yesterday, Being the Narrative of John H. Cady, Pioneer:

1 of 1 people found the following review helpful. The book was interestingBy go quiltI was hoping for more Arizona history than the book contained. Some parts were informative but it is mainly about a tough guy in the west.0 of 0 people found the following review helpful. Freedom is not quite as easy now.By SWPAs a new resident of Arizona,I found it very interesting to read the thought of someone from a century ago. Freedom is not quite as easy now.0 of 0

people found the following review helpful. IBy Deborah reichI liked the style in which the book was written. Since moving to Arizona it was interesting to look back in time.

Covering the period of 1870 to 1915, this book is John Cady's personal narrative of his life in early Arizona Territory. He was a cowboy, soldier, deputy, and pioneer who had to navigate the dangers inherent in the wild west Arizona with its hostile Indians, gamblers, outlaws---not to mention dealing with a contract bride who did not seek a contract extension when the time expired. Yet the story of Cady's life is, one of the most gripping and interesting ever told, both from an historical and from a human point of view. It illustrates vividly the varied fortunes encountered by an adventurous pioneer of the old days in Arizona and contains, besides, historical facts not before recorded that cannot help making the work of unfailing interest to all who know, or wish to know, the State.
