**Peter Massey, Jeanne Wilson, Angela Titus : Arizona Trails South Region** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arizona Trails South Region:

3 of 5 people found the following review helpful. Good all around trail guide. By IFISHAZ Good all around trail guide. Includes accurate GPS coordinates. Trail ratings are ok. The trip odometer settings are great if you don't have a GPS. 1 of 2 people found the following review helpful. Very pleased By Kenneth Roy Williams It is a super book- very detailed and full of necessary information for 4-wheeling. Maps are very detailed and trails are rated for difficulty. Like it a lot.

Arizona Trails South Region navigates 726 miles of the best backcountry trails in south Arizona, in and around Tucson, Yuma, Oracle, Sierra Vista, Coronado National Forest, Douglas, Ajo and Nogales. Trails feature ghost towns, old mines and mill workings, old railroads and stage lines along the 33 off-road trails. Directions include GPS coordinates and all trails are rated for difficulty, mileage, driving time, remoteness and more. Descriptions highlight places to camp, hike, mountain bike, fish and sightsee. Histories recount the days of the Wild West.
