Charles R. Meck, John Rohmer : Arizona Trout Streams and Their Hatches: Fly-Fishing in the High Deserts of Arizona and Western New Mexico before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona Trout Streams and Their Hatches: Fly-Fishing in the High Deserts of Arizona and Western New Mexico:

0 of 0 people found the following review helpful. Good collection of watersBy Michael BrightVery informative. Good collection of waters. For a traveling fisherman it would be extremely helpful0 of 0 people found the following review helpful. Need to identify more easily that this is an old printBy ToddExtremely informative. Need to identify more easily that this is an old print. Would be better if there was an updated version.0 of 0 people found the following review helpful. Five StarsBy Lee W.It's great.

The authors of this work take the reader to the best trout waters throughout Arizona and New Mexico. When and where to go, how to get there, what flies to expect on the water, and how best to imitate them is all included in this guide.

[Meck is] one of the top fly-fishing writers in America. -- Barry Serviente, Angler's ArtAbout the AuthorCharles R. Meck's books include Patterns, Hatches, Tactics, and Trout; Trout Streams of Pennsylvania; and Trout Streams of the Mid-Atlantic. He spends winters in Mesa, Arizona. John Rohmer has been fishing the streams of the high desert for three decades. He is a professional fly-tyer and the owner of a fly-tying materials business in Phoenix, Arizona.
