Sharen Adams : Arizona Wildlife Viewing Guide (Watchable Wildlife) (Watchable Wildlife (Adventure Publications)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona Wildlife Viewing Guide (Watchable Wildlife) (Watchable Wildlife (Adventure Publications)):

5 of 5 people found the following review helpful. Beautiful viewing guideBy L. MacklinI'll start by saying I like any

book that has a map and numbering system in beginning and this certainly has one. I got this book hoping to learn a little more about the native wildlife of Arizona. What this book actually delivers is exactly as the title states: a viewing guide. It gives beautiful pictures of some really amazing locations and what to keep an eye out for as far as wildlife is concerned, but as far as additional wildlife information goes, you won't find that here. It does offer some basic guidelines every hiker should know when venturing into the Arizona deserts. 0 of 0 people found the following review helpful. Great all-around wildlife Tips to have By WitzzyWe added this one to our collection of WILDLIFE VIEWING GUIDES Series. Makes viewing and FINDING! what we are looking for: Birds primarily, but 4-legged animals, insects, flora.. Often recommends best times 0 of 0 people found the following review helpful. Four Stars By Diann Wells very helpful used many times

Find Arizona's top sites for seeing unique wildlife and the habitats in which they live. Each entry includes information, notes and several photographs. Plus, can't miss locations in the three-tiered rating system!
