Stephen N. Fliegel : Arms and Armor: The Cleveland Museum of Art before purchasing it in order to gage whether or not it would be worth my time, and all praised Arms and Armor: The Cleveland Museum of Art:

Associated with strength, bravery, and loyalty, arms and armor have long been decorated with great skill and care, thereby becoming artistic creations in their own right. Beautifully photographed, the Cleveland Museum of Arts superb collection of arms and armor appears here along with works of art from each period that illustrate their use. Chapters include discussions of chivalry and the tournament, manufacture and decoration, and weapons as technology

and art.
