Marilynn Wood Hill, Mary Means Huber : Around Bronxville (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Around Bronxville (Images of America):

1 of 1 people found the following review helpful. Bronxville in PicturesBy B. AltonA wonderful complilation of historic photographs since the 19th century! For anyone who has lived near New York City in Westchester County...this is a wonderful local history book written by dedicated researchers! The book follows the years from a rural setting to Art Colony to modern suburbia. Captions tell the story and bring the pictures to life. Bravo!
