## Peace Missions:

Title: AROUND THE WORLD IN A WHEELCHAIR, Rotary Meetings and Nuclear and Middle East Peace Missions. My message to all those who are physically challenged: If we can do the China Wall, we can do almost anything. And so can you. Why? Because we wheelchair people bring out the best in people. If you look like you need help you can bet that some near you will be glad to help lift you in your chair, even to the top of the China Wall. Plus travel tips for the physically challenged. How to make nuclear peace with a universal test ban and Middle East peace with an international free trade area in Gaza. Conferences in foreign ministries of 12 countries. Rotary Club meetings in eight countries. Each club is different.
