Peter J. Grtner : Art Architecture: Musee D'orsay before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Architecture: Musee D'orsay:

0 of 0 people found the following review helpful. It is really packed with interesting information and nice illustrations. By Jeanne F. I'm in agreement with the other 5 star reviewers. It was worth bringing to Paris so I could read up about the art I had seen during each day that I had visited. Now back home I still refer to it now and then. It is really packed with interesting information and nice illustrations. 4 of 4 people found the following review helpful. Very nice book. By Lindy I am happy to have this book to plan my next visit to Paris. On my last trip, the museum was closed due to a strike by workers. I will read this book thoroughly before my next trip. Pictures and details are excellent and is easy to read. 0 of 0 people found the following review helpful. Five Stars. By Natashia M Rechenmacher This was a Christmas gift and it is LOVED

Housing the largest collection of impressionist and post-impressionist masterpieces in the world, the Muse d'Orsay is arguably one of the most beautiful museums in Europe, with its immense central space inherited from its original role as a grand railway station built in 1900. Immerse yourself in the world of Monet, Degas, Czanne, Renoir, Gauguin and van Gogh thanks to this comprehensive guide to the museum.

About the Author Peter Grtner is a specialist of the 19th Century art
