Art Commission and the Municipal Art Society Guide to Manhattan's Outdoor Sculpture By E This guide is perfect for the seasoned New Yorker or the tourist walking around Central Park and other places in New York City. For each landmark, there is a picture and a paragraph detailing the history and important fact. The book arrived on time in the condition described by the seller. 1 of 1 people found the following review helpful. Thorough and well-written By A voracious reader This book has been invaluable in my search for statues and sculptures in Manhattan. Not only is it very thorough, but there's also a really interesting write-up about each one.
