The Grant Wood painting is perfect for the cover. Wonderful job! 3 of 3 people found the following review helpful. To Small to Enjoy... By Kindle Customer Ordered this book and was surprised by the size when it arrived. It is slightly bigger than a CD. It is a book about art but the pictures are small and the print even smaller. Very disappointed. Great subject but too small to enjoy. 0 of 0 people found the following review helpful. Five Stars By anonymous Beautiful little book. Let a friend borrow it and never got it back.

The state known as "America's corn capital" is vividly portrayed through pictorial and textual images of the Native Americans who once roamed Iowa's woodlands, the immigrants who tamed the fields, and Iowa's writers, poets,

preachers, musicians, and politicians.
