**Joanne Trestrail : Art of the State: Wisconsin** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Art of the State: Wisconsin:

The dairy state where idiosyncracies flourish and picture-perfect farmlands abound, Wisconsin is where you come for beer and bratwurst and where hamburgers are fried in butter. From Liberace to Spencer Tracy, from the sandstone canyons at the Dells to the log cabin that inspired Laura Ingalls Wilder's classic Little House in the Big Woods, from native son Frank Lloyd Wright's Taliesin to the nation's only whooping crane preserve—here is a tribute to Wisconsin's singular delights for tourists, armchair travelers, and Packer-rooting cheeseheads alike.
