**Gary Gimson : Asia Pacific Business Travel Guide 1996/97** before purchasing it in order to gage whether or not it would be worth my time, and all praised Asia Pacific Business Travel Guide 1996/97:

This is an independent and business traveller's guide for 1996 to Asia Pacific Basin. The book includes early history, current government policy, a 1996 economic review, business etiquette and practice, major exhibitions, hotel prices, car hire, tourism update, a restaurant map, airline departures and offices, and useful addresses.
