Loved the maps in the book especially. Great idea for some stories in a beautifully put together work. 3 of 4 people found the following review helpful. PlacesBy Cryptic Cat This is a fascinating book with destinations around the world for the weird and unusual. It is by no means complete, but it is worth a read or two.

NEW YORK TIMES BESTSELLER

"...an enticing tour of frightening places around the world..." Shelf Awareness "Olivier Le Carrer's Atlas of Cursed Places is many things - travel writing, folklore, true crime, history, map porn - all wrapped up in a rather splendid package.... Given its tales of ghosts, dragons and disasters both natural and manmade, Le Carrer's Atlas represents a fresh boarding pass to leap aboard the world of geography, even for the geographophobic among us." BookGasm "Perfect for the macabre traveler with a sense of humor." New York Post "....morbidly delightful collection of maps and essays about locations that probably make actual visitors a bit nervous." Dayton Daily News "[For] those who believe the world is still full of mysteries to investigate." Atlas Obscura About the Author Olivier Le Carrer is a journalist and passionate sailor. He has spent the last thirty years exploring the shores of the planet. He has written several books on cartography and navigation with the illustrator Sibylle Le Carrer.
