My family has always admired it, so this is the reason I bought it. Will give as a gift for Christmas to one of my children. Would love another just like it, if you still have more?0 of 0 people found the following review helpful. Love this beautifully illustrated bookBy Michele PlumridgeLove this beautifully illustrated book. As a Californian living in Australia it is a sweet reminder of why I love my homeland. It is a precious book.0 of 0 people found the following review helpful. Five StarsBy CustomerBook was in great condition! Thank you!
