Explore hundreds of miles of Connecticut's back roads in this guide to the most scenic, uncrowded, and enjoyable rides the state has to offer. Fully revised, this indispensable cyclist's guidebook holds something for riders of all abilitiesuitable for both touring and mountain bikes. Some rides will challenge cyclists with lung-searing hill climbs. Other rides take unhurried tours around lakes and on hidden roads. The tours range in length from 4 to 114 miles. Each chapter includes a map and information on mileage, terrain, difficulty, nearby bicycle shops, and detailed route descriptions. 40 black-and-white photographs, 33 maps
