John S. Freidin : Backroad Bicycling in Vermont (Fourth Edition) (Backroad Bicycling) before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroad Bicycling in Vermont (Fourth

Edition) (Backroad Bicycling):

1 of 2 people found the following review helpful. What about accommodation and food!By Malcolm MooreQuality but, generally gives 'out and back' routes. Nothing for a week or two 'riding on'. Also needs to talk about accommodation and food17 of 17 people found the following review helpful. Excellent cycling tour book for the perfect cycling locationBy MichelleMy husband and I are avid road cyclists, and we found this book to be a perfect guide for our recent vacation in Vermont. Rides are in all geographic locations across the state. The author features great rides with extremely clear directions, as well as tourist-focused descriptions for each of the towns that he takes you through. The rides are incredibly scenic, and the information on places to tour and eat along the way were invaluable to us. The only very minor complaint I have is that the charm of a few of the listed attractions are sometimes a little too enthusiastically stated - although all information was factually accurate. Make sure that you're getting the latest (2006) edition!

The definitive bicycling guide to Vermontcompletely revised with hundreds of miles of new riding and more information about history, geography, and special places. This fourth edition of 25 Bicycle Tours in Vermont is packed with new tours and major revisions to old favorites. Bicycle touring pioneer John Freidin once again shares his favorite rides through historic villages, along sparkling lakes, and through lush countryside in his delightfully readable new guide to bicycling in the Green Mountain State. Following the quietest, least-traveled back roads, these tours range from easy rides for beginners and families, to challenging routes for the most hardy cyclist. Every tour includes stunning views, charming villages, and special places to swim, eat, and visit. Whatever part of Vermont you choose, you will have clear, accurate directions, ensuring your finding your way with confidence on nearly traffic-free back roads. Based on his 33 years bicycling in Vermont and his deep knowledge of its history and topography, Freidin's graceful writing takes even seasoned Vermonters to new places in a cycling paradise. 25 black-and-white photographs, 25 maps

About the AuthorIn 1972 John S. Freidin founded Vermont Bicycle Touring, America's first bicycle touring company. He has led thousands of cyclists on tours throughout Vermont, taught American history at Middlebury College, and served in the Vermont legislature. His writings and photographs have appeared in Vermont Life, Bicycling, Newsweek, and Vermont Magazine. He lives in New Haven, Vermont.
