Amy C. Rea : Backroads Byways of Minnesota: Drives, Day Trips Weekend Excursions (Backroads Byways) before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroads Byways of Minnesota: Drives, Day Trips Weekend Excursions (Backroads Byways):

0 of 0 people found the following review helpful. Detailed, informative, and helpfulBy Lisa MarieI borrowed this book from a friend who had it but never opened it. I paged through hers and decided I wanted to flag stuff and write in

it, so I bought my own. I have server short trips planned through out the state going by the places written about in this book. Truly opened my eyes to all the things to do, places to stay and things to see in Minnesota. The only draw back is the fact that it is a few years old already, but couldn't find a newer one. I looked through other travel books but nothing had the details this one has. 1 of 1 people found the following review helpful. Not as Much Detail or Information as I Would Like By CJM This book would definitely benefit from including at least one map that marked the towns mentioned in it. One good map for each trip would be ideal. Even if, as the author recommends, a reader refers to a more detailed map, having that information within the book would make it more reader friendly. The book did not seem to include information unavailable elsewhere. It seemed accurate, but did not point me in the direction of anything extraordinary. It did not provide detail that stood out. 0 of 0 people found the following review helpful. Found this to be a good book. Very informative and looking forward to checking ... By Paw Prints Found this to be a good book. Very informative and looking forward to checking out some of these places.

With natives as your guides, this series leads you down the road less traveled. Travel from the Twin Cities into the northermost reaches of the statethe North Shore, Boundary Waters, and Canadian border; then explore the scenic byways that follow the Mississippi, Minnesota, and St. Croix rivers, wander the southern prairies and through the lake districts. Included are details of lesser-traveled roads and regions, sites to see, tours, parks and trails, and historical information. About the series: Whether you need to get away for a weekend or longer, want to explore your home state or make plans for free time in an area you dont know well, take to the road with a Backroads Byways book. Youll discover the most interesting places to visit on and off the beaten path. Destinations will appeal to foodies, history buffs, families with kids, couples, adventurers, hikers, bikersin short, everyone. With itineraries appropriate for visits of differing durations and in different seasons, tips for comfortable accommodations, great food, and good shopping too, look to Backroads Byways for the most interesting and diverse short trips available.

About the Author Amy C. Rea was born and raised in Minnesota and has spent (almost) her whole life there. She writes about Minnesota for the CBS website wcco.com and for her own blog, A Closer Look at Flyover Land. She spends much of her free time exploring her home state, looking for the next hidden gem. Her books include Explorer's Guide Minnesota and Backroads Byways of Minnesota. Rea lives in Eden Prairie, MN.
