**Hinckley Jim : Backroads of Arizona: Your Guide to Arizona's Most Scenic Backroad Adventures** before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroads of Arizona: Your Guide to Arizona's Most Scenic Backroad Adventures:

2 of 2 people found the following review helpful. they loved it!By Nancy BrownI gave this as a gift to a new couple that had just moved to AZ and who love road trips in their truck. It's hard for them to hike much so this was a perfect way for them to get to know more of rural AZ without hiking a lot. They call it their road trip bible!2 of 2 people found the following review helpful. Awesome Book!By misfeldtrmMy grandparents travel to arizona every year from december to april and I needed a gift for them for christmas, though this would be perfect. I was totally right. They

have been using it to get out and find more sight seeing places and they love it. The pictures are beautiful and it is even very interesting for those who don't travel to AZ but love to learn about new places!0 of 0 people found the following review helpful. Ordered this one for our own us. When we ...By Merny McIntoshOrdered this one for our own us. When we get to visit AZ we can check out places that we missed when/while we lived there!

The face of Arizona has changed dramatically over the centuries-but for those who know where to look, the coyote still howls, waterfalls still tumble into deep red rock canyons, and some of nature's finest handiwork is still to be seen along the backroads and byways of the state. For the open-road adventurer or the armchair tourist, *Backroads of Arizona* is the ideal guide to the state where antelope still roam, cowboys still ride the range, and mail is still delivered by mule train. Jim Hinckley's informative text and Kerrick James' brilliant color photography reveal the Grand Canyon State as more than just desert and towering saguaros: It is a powerful land of compelling variety where a mere sixty-mile drive can transport you from scorching sands to dense evergreen stands where deer and elk roam. Continuing on Voyageur Press successful travel series, *Backroads of Arizona* takes you on more than twenty trips to the states most notable and underappreciated sites. The book covers Arizonas plethora of awe-inspiring natural areas and national parks as well as its many historic sites, including Native American Pueblos and ancient ruins, ghost towns and vestiges of the Old West, and more. It is a fitting celebration of one of the most scenic states in the country.

Phoenix Magazine, January 2007 *Backroads* is chock-full of vivid images by Kerrick James James artwork almost makes *Backroads* a better picture book than travel guide. Almost. With plenty of maps, directions and little-known facts about each region, Hinckley proves himself to be an excellent travel guide. In addition, the drives are designed for all types of sightseer from leisurely tourist to the adventuresome off-roader. *Arizona Republic*, Dec. 1, 2006 An unqualified joy, whether you intend to use it for practical route planning or simply for armchair exploration.
