Joe Sugarman : Baltimore (City-Smart Guidebook Baltimore) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Baltimore (City-Smart Guidebook Baltimore):

BALTIMORE is a great book about Baltimore and its surrounding suburbs, with descriptions of where the best shopping and dining are. However, because the book was written several years ago, the radio listings need to be taken like the humor in AMERICAN WEDDING, SABRINA, THE TEENAGE WITCH, DRIVE ME CRAZY, SIMPLY IRRESISTIBLE, HOW I MET YOUR MOTHER, 13 GOING ON 30, DATE MOVIE, HARVARD MAN, and the two GARFIELD MOVIES featuring Jennifer Love Hewitt. This is a minor quibble, though, because this is an excellent book for anyone interested in the Mid-Atlantic states. 0 of 0 people found the following review helpful. Sugarman, a surname that says it all...By A CustomerThis guide is sweet!Again Joe Sugarman, in a light and appropriate tone for a city guide, points out the best in town... If you want to visit Baltimore without fear of losing time and wasting money walking in circles: read this guide. Read it and you will enjoy Baltimore; lose it and you will not be aware of the beauties you're losing in this marvellous city. This guide might not be the *most* extensive, but all the info that has been packed in it is selected: I don't want to see everything there is to see - I want to see the *best* there is to see!

A local shares with readers his favorite things to do in Baltimore and why they are his favorites - whether because they're the most fun, the most economical, or the most bizarre. The guide is packed with amusing sidebars that explain, for example, why Baltimore is called "Charm City" and how to speak "Bawlamorese."
