**Kappa Map Group : Baltimore, Maryland City County Street Atlas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Baltimore, Maryland City County Street Atlas:

1 of 1 people found the following review helpful. Maps are difficult to read. Baltimore metropolitan area broken ...By Nancy B. Maps are difficult to read. Baltimore metropolitan area broken into several maps scattered in the book and do not line up. They may be the same scale, but ten are not the same magnification. 1 of 1 people found the following review helpful. One Star By Walter W Gallas Sent it back. Poorly printed, nearly illegible, and poorly organized. Stick to your smartphone. 1 of 2 people found the following review helpful. poor layout of map By NB false advertising. the overall map was NOT baltimore county. it was the whole area around baltimore which made the streets VERY difficult to read in the overview and therefore difficult to locate to drive to.
