**Terry G. Easton : Baltimore Travel Guide 2017: Shops, Restaurants, Attractions and Nightlife in Baltimore, Maryland (City Travel Guide 2017)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Baltimore Travel Guide 2017: Shops, Restaurants, Attractions and Nightlife in Baltimore, Maryland (City Travel Guide 2017):

A truly terrible and useless "list-only" guide to BaltimoreBy Erica Levy KleinThis is literally 4 lengthy lists, with absolutely no categorization within the hodge podge (under Restaurants, for example; it's all one giant moosh of cuisines and areas) no descriptions beyond a general word or two -- and no websites, just phone numbers. That means you'll have to do hours of additional online research just to figure out what something is and whether you're interested or not. The lazy author should hang his head in shame.0 of 0 people found the following review helpful. total waste of moneyBy Bobbianne R. FletcherDid not have any maps or descriptions etc and bought it for my son who just moved there. Total waste of money0 of 0 people found the following review helpful. Not a guide. Its a list.
