Wonderful resource for barbecue lovers in TexasBy DivascribeI got this book for a friend who recently moved here from out of state and loves barbecue.This book has it all -- descriptions of great BBQ restaurants in Texas, and recipes for sides and rubs. Each restaurant is fully described, including the type of wood that is used in the smoking. It's a great resource for anyone looking for good barbecue around the state. I predict my friend will be taking lots of day trips this year!2 of 2 people found the following review helpful. Learning to Love BBQ in TexasBy AndieRI confess I wasn't a Texas BBQ fan when I first moved to the lone star state, after a terrible first experience I kept it at arms length for years - yes... years. Then recently came along a surprisingly good second experience that rekindled my interest in grilled and smoked edibles. This book has been an awesome companion to this new interest of mine with a wealth of information on what makes Texan BBQ its own thing. Whether you're a true aficionado looking for new holes in the wall, passing through Texas trying to find a solid spot to

grab some lunch or just looking for your next coffee table conversation starter - this book will deliver and more. 2 of 2 people found the following review helpful. Not only useful as a reference book, but highly evocative and entertaining as well. By Fred Landau I had loved their Food Lover's Guide to San Antonio, so when I saw the authors being interviewed last week, I just knew this new one was a book I also had to have. And it certainly hasn't disappointed in any way. The recipes and tips have been as useful as the descriptions of the Texas locations are evocative, entertaining and colorful. Highly recommended - five stars!

Barbecue Lovers' Texas celebrates the best this state has to offer. Perfect for both the local BBQ enthusiast and the traveling visitor alike, this book features: the history of the BBQ culinary style where to find and most importantly consume the best of the best local offerings; regional recipes from restaurants, chefs, and pit masters; information on the best barbecue-related festivals and culinary events; plus, regional maps and full-color photography.

About the Author Bonnie Walker and John Griffin are the founders of food blog, SavorSA. They have both been active in the San Antonio community working at San Antonio Taste magazine and San Antonio Express-News. Bonnie and John are the co-authors Food Lovers Guide to San Antonio (Globe Pequot Press).
