**From Stoecklein Publishing : Barns of the Great American West** before purchasing it in order to gage whether or not it would be worth my time, and all praised Barns of the Great American West:

0 of 0 people found the following review helpful. Five StarsBy Nancy G.Charming old time picture book.1 of 1 people found the following review helpful. Painting old barnsBy susuIf you're an artist, and interested in old barns, this is the book to have!0 of 0 people found the following review helpful. Five StarsBy Constance M. Oyamagreat pictures.

This new book on barns of the American West takes the reader on a pictorial tour of these timeless structures across many different regions. David Stoecklein's charming images of old and new barns celebrate their place in American history and the settling of the West.

"Don't be surprised if photographer David Stoecklein's name is mentioned someday in the same breath as Charlie Russell, Frederic Remington, and other legendary chroniclers of the West."-- Heartland USA
