From Berndtson Berndtson Publications : BB New Orleans City Streets Map before purchasing it in order to gage whether or not it would be worth my time, and all praised BB New Orleans City Streets Map:

BB City Streets brand laminated folded map in color of New Orleans. Indexes show locations of public buildings, neighborhoods (quarters), housing projects, streets, points of interest, hotels, shopping centers, markets, parks. Shows marinas, canals, basins, wharves, post offices, libraries, museums, theaters, radio towers, lighthouses, monuments, churches, monasteries, synagogues, ruins, bus stations, golf courses, airports and airfields, police stations, parking lots and garages, streetcar routes, youth hostels, zoos and other places of interest, hospitals, hotels, places for yachts and yachting. On one side, New Orleans Downtown at a scale of 1:11,000. Also New Orleans and Region inset at 1:300,000, showing routes into and out of the city. Reverse side shows greater New Orleans at 1:30,000 with many neighborhoods and streets labeled directly on the map. Also has an inset of southeastern Louisiana showing routes to New Orleans from Lake Charles, Jackson, Columbia, Hattiesburg, Venice, Gulfport/Mobile. Climate chart with monthly averages of temperature, humidity, precipitation and sunshine duration. 2004 updated edition.

About the AuthorBerndtson Berndtson GmbH, a cartographic publishing company established in 1988 in Germany, makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.
