David B McRee : BeachHunter's Florida Gulf Beaches Access Guide: Finding Your Paradise on Florida's Lower Gulf Coast before purchasing it in order to gage whether or not it would be worth my time, and all praised BeachHunter's Florida Gulf Beaches Access Guide: Finding Your Paradise on Florida's Lower Gulf Coast:

4 of 4 people found the following review helpful. this book was perfect! I was interested in buying a condo on ...By dominic costaFor my needs, this book was perfect! I was interested in buying a condo on Florida's Gulf coast, but had NEVER spent any time there, and wasn't even sure where to start. All that I knew was that I wanted to be on or near a beautiful beach. I planned a trip to Florida, with the intent of staying in Clearwater, Sarasota and Ft. Myers, each for 3 nights. A few weeks prior to my trip, I discovered and ordered this book, and was so glad that I did. (It specifically covers all of the public beaches from Dunedin to Naples, which was precisely where I was traveling). By the time I

arrived in Clearwater, I knew exactly which beaches I wanted to visit, and where to find convenient parking or access. My time was productive based on the accuracy of the information in the book. There's no beautiful color photos, and the simple "maps" are hand-drawn, but if you're going to spend extended time in these areas, consider this book a local's guide to the Gulf coast - enjoy!

2 of 2 people found the following review helpful. his research and details are amazing..By ktthose living in florida AND visitors should buy this book....his research and details are amazing....we live on the gulf and we were shocked at the number of places around our area and the specific details on every single beach..like food,parking, safety, what has been updated , type of beach, distance from beach to parking, condition of restrooms AND distance to entertainment"shopping etc etc EVEN MAPS OF THE AREA\ a MUST HAVE BOOK.....WE HAVE SEVERAL OTHER BEACH INFO BOOKS...BUT THEY HAVE ABOUT 10% OF THE INFO. IN THIS TERRIFIC REFERENCE GUIDE AND IT IS UP TO DATE!!!!!!THANK YOU MR. McREE

By Ancient Diver

Looking for a beach off the beaten path on the Gulf Coast from Tampa and southward? Looking for a beach that is wall to wall people? Whatever you want, this is the only book you will need. It covers the places not even the locals may know about, and the parking lots so small you have to get there early to find a spot. I have lived in SW Florida for 14 years. I thought I knew all the out of the way access points up and down the coast from Sarasota, my home. Wrong. I don't like crowds when I go to a beach - the more isolated the better. This is the book whatever your preference.

This is a guide to more than 120 beach access points on the Florida Gulf coast between Tarpon Springs and Marco Island. It does not cover panhandle beaches or Florida Key's beaches. It is most useful for people traveling to Florida beaches by car, and will help you find parking, lifeguards, dog-friendly beaches, remote beaches, full-service beaches and much more. It's much more than just a listing of access points. The author has personally visited and photographed all of the beaches in this book multiple times and provides detailed descriptions of what each beach offers as well as his personal recommendations.
