Aaron Mase : Beginners Guide to Cruising: your personal planning guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Beginners Guide to Cruising: your personal planning guide:

3 of 3 people found the following review helpful. Beginners Guide To CruisingBy mjmEven if this is not your first cruise, this book has great ideas and helpful information. It is very useful, from the planning stage to the disembarkment for any cruiser.0 of 0 people found the following review helpful. Good buyBy Alice DardenI purchased this book as we begin to prepare fora cruise to Bermuda. It has been most helpful.

Thinking about going on a cruise and unsure for the cruising process? This is the book for you. In one book you will learn the process from booking your first cruise, arriving at the pier your first day, enjoying your cruise, and preparing for your last day on board. You will benefit from the authors experiences and you will know what to expect on your vacation. This easy to understand book helps you become an experienced cruiser before you set foot on board your first cruise. Think you'll be bored on a ship? Check out the chapter listing 151 things to do on board a ship. You will be amazed at what you can do! By explaining the cruise process, this book helps you make the most of your cruise vacation. Start packing your bags and book your cruise.
