JonesToo much attention given to river rafting. Other than that, the photos are beautiful.8 of 8 people found the following review helpful. educated reviewBy A CustomerI have been guiding river trips through the Grand Canyon for over thirty years and this is one of the best photo journalist volumes I have seen. There are thousands of books, concerning the Grand Canyon, I have collected over the years..."Beneath The Rim" has a special way of describing the intimate details of the life and spaces beneath the rim. One can tell by the unique photographs and inspiring text that C.C. Lockwood has a special relationship with the Grand Canyon. It is a must have for any Grand Canyon aficionado.

Through breathtaking photos, award-winning natural history photographer Lockwood allows readers to embark on dizzying adventures through the Grand Canyon on the Colorado River. From a dazzling sunrise over Cedar Mesa and breathtaking views from Lava Canyon and Crazy Jug Point, these captivating photos provides an enchanting panorama. 150 color photos.
