**Ellen Weis, Kiran Singh : Berkeley: The Life and Spirit of a Remarkable Town** before purchasing it in order to gage whether or not it would be worth my time, and all praised Berkeley: The Life and Spirit of a Remarkable Town:

Berkeley is as much a concept as a city, resonating powerfully with those on all sides of the political spectrum. But insiders know it as one of the most exciting cities in the country, where eclectic neighborhoods, a sparkling waterfront, and world-class festivals coexist happily with radicals, hippies, and political correctness. This sumptuous photographic tour with text shows exactly what makes the city special, offering dazzling images of the city's vibrant street life, gorgeous natural attractions, emerging arts district, lovely Rose Garden, legendary Claremont Hotel spa, and much more.
