**Berlitz Publishing Company : Berlitz Business Travel Guide to Europe** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Berlitz Business Travel Guide to Europe:

From Athens to Zagreb, Rykjavik to Warsaw, the Berlitz Business Travel Guide to Europe offers a wealth of useful information on 38 European countries, covering everything from social customs to trade fairs. In a handy pocket-sized format, this is the perfect companion for those conducting business in Europe. Features include: useful facts about each country, culture tips to ease you through uncharted social terrain, quick reference maps for each country, and essential words and phrases, with expanded business phrases. New to this edition are computer terms in 24 languages,

how to use your laptop and access the Internet abroad, hints for easy ATM use, and the latest information on the Euro.
