**Douglas Ward : Berlitz River Cruising in Europe** before purchasing it in order to gage whether or not it would be worth my time, and all praised Berlitz River Cruising in Europe:

15 of 15 people found the following review helpful. Wish you were here?By Shawna B.I'm a travel agent specializing exclusively in river cruises, so this book was a must-read for me! I found it to be well-researched, well-organized and engaging. I especially appreciated the ship-by-ship rating section, which was a treasure trove of little tidbits you normally wouldn't know unless you experienced each ship for yourself. I haven't yet sailed on every river and every ship (I'm trying to, trust me!), but Douglas Ward's River Cruising in Europe is, without a doubt, the next best thing.4

of 4 people found the following review helpful. A good starting place if you are new to the subject  
By John Bruton  
No travel guide can cover everything well without reading more like a dictionary than a book, but this one finds a nice balance between providing reasonably up to date information on available cruises and the characteristics of different cruise lines and offering practical advice.  
4 of 4 people found the following review helpful. Good Info in early chapters  
By Bruce Utter  
The initial chapters are interesting, but the bulk of the book is individual ratings of the available riverships and is of marginal interest. It might have been better to discuss the various operators and their advantages/disadvantages, rather than too-brief description of each ship.

A river cruise is undoubtedly the most civilized way to see the best of Europe; you can relax in the comfort of a small vessel as you glide through beautiful towns and spectacular scenery. But how do you choose which cruise company, which kind of rivership, and where to go? The Berlitz guide to River Cruising in Europe will tell you everything you need to know about taking a cruise along Europe's beautiful rivers and waterways. The book cuts through the brochures hype almost every river cruise company promises you luxury. But what does luxury really mean? The guide gives you unbiased advice on the different kinds of river vessels and the facilities they offer, helping you to make an informed choice. We take you on a journey along Europe's rivers and waterways, describing the highlights along the way the historic cities and majestic scenery of the Danube, the castles and vineyards of the romantic Rhine, and much. Also included are listings for over 200 river vessels, which are described in detail and impartially rated, so that you can easily compare ships and their facilities.

About the Author  
With more than 40 years of experience, encompassing over 1,000 cruises and more than 6,000 days at sea, Douglas Ward is a leading authority on cruising.
