**Berndtson : Berndtson New York City City Streets Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Berndtson New York City City Streets Map:

Laminated street map in color. Easy to fold, convenient size. Hotels, pedestrian zones, museums, theaters. Points of interest, parking garages, prominent buildings. Locations of buildings formerly in the World Trade Center complex. Insets: Financial District, Midtown, Greater New York City, Kennedy, LaGuardia, Newark International airports. Climate information. Metro/Public Transportation. Indexed. Main map scale 1:15,000.
