David Goodman : Best Backcountry Skiing in the Northeast: 50 Classic Ski Tours In New England And New York before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Backcountry Skiing in the Northeast: 50 Classic Ski Tours In New England And New York:

0 of 0 people found the following review helpful. The best Back Country Guide for the North EastBy Brandon NaylorThis is an excellent back country guide. It's great to know approximately what you're getting into before you hike into the backcountry, and drop into a stash with little knowledge of where it may lead. I've had a few experiences where I had to hike many miles to get back to a road. The book is very detailed, and has an excellent assortment of trails in New England, and the Adirondacks. I've only have experience with the northern Vermont trails, but I'm sure the others are just as good.3 of 3 people found the following review helpful. Great GuideBy Mike SavanDescriptive in every aspect. . directions to each tour, ascent, and descent. Everything from cross-country ski tours, to mountaineering back-country ski tours, easy to extreme. Also includes a history of each tour! Awesome guide.0 of 0 people found the following review helpful. Informative and FunBy UllrSome great writeups in here. A lot of history is given for each tour and the directions are very clear and include maps, parking directions, etc. I wasn't expecting as many pure "tours" where the downhill aspect is secondary to the tour, but there are a good number like that. Not a bad thing, just not exactly what I was expecting. There are still plenty of tours included with some great downhill.

From the author of the Bible of Eastern Backcountry Skiing comes the most up-to-date resource for exploring the backcountry ski trails of the Northeast. This book features 50 trips through New Hampshire, Vermont, Maine, New York, and Massachusetts, including extensive coverage of Tuckerman Ravine, the Catamount Trail, Jackrabbit Trail, the historic Thunderbolt Ski Trail, as well as backcountry huts and lodge-to-lodge skiing in Maine's 100-Mile Wilderness. You'll learn how to prepare for your adventure with helpful references on when to go, what to bring, and must-have backcountry safety skills. Each trip is complete with a description, distance, elevation, topographic map, difficulty rating, directions, and other tools to help plan your adventure. Whether you're a seasoned Nordic or telemark skier looking for a new challenge, or a resort skier ready to take on the backcountry, this book will help you expertly navigate the Northeast in winter.

About the AuthorDavid Goodman, an award-winning writer, skier, and mountaineer, has written for numerous national publications, including SKI Magazine and Backcountry. He is the author of Backcountry Skiing Adventures Vermont and New York and Backcountry Skiing Adventures: Classic Ski and Snowboard Tours in Maine and New Hampshire.
