Mary Staub : Best Bike Rides New York City: Great Recreational Rides In The Five Boroughs (Best Bike Rides Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Bike Rides New York City: Great Recreational Rides In The Five Boroughs (Best Bike Rides Series):

0 of 0 people found the following review helpful. Well researched but unevenBy Wyatt TwerpI actually completed

several of the rides in the book. I think most of them were not as much fun as the book suggests. Most of the rides themselves are fine, but the stops along the way are generally not worth the stop. For instance, Ocean Boulevard is touted as the first bike lane in America, but when I used it to head out to Coney Island, I found stop lights on every block. Not quite the ideal bike ride! But for someone who is extremely liberal and avant-garde, the destinations along the way might be worth the trip. The information is well-researched, but it seemed to be written more for a leftist local to NYC than a tourist. I think if you want to see New York, the city is bikeable enough that you can just map out your own destinations and use the bike lanes to get around. This product may be enjoyable for locals who are comfortable navigating the streets, but not all the rides are worth doing. 0 of 0 people found the following review helpful. Very useful book ..By JVKExcellent from what I have seen so far... I got a library copy first, and I was so happy, that I bought my own....I wish the authors produced something for the whole NY Metropolitan area, including NJ! 0 of 0 people found the following review helpful. Nice book for trail cyclingBy DanielVery nice book with bike trails. No more guessing or biking in heavy traffic (if you don't want to). Clear descriptions and maps.

Best Bike Rides New York City describes more than 40 of the greatest recreational rides in New York City. Road rides, rail trails, bike paths, and single-track mountain bike rides all get included. Most rides are in the 5 to 30 mile range, allowing for great afternoon outings and family adventures.

About the AuthorMary Staub is a freelance journalist and passionate cyclist who has been exploring the New York City metro area by bike for more than ten years. Biking is part of who she is and always has been. Whether for commuting or for leisure, whether in sub-freezing temperatures or on sultry summer days, whether where she lives or where she travels, biking is what she has always done. Inherently inquisitive, her interests have led her into various journalistic territories including travel writing, community reporting, mainstream news, and dance writing. Publications shes written for include Travel + Leisure, the New York Sun, Basler Zeitung, dance journals including Ballet Tanz and Dancer Magazine, the technology news site Tech Media Network. She lives in Brooklyn.
